

SYT, THIS SUMMER'S STAR PERFORMER!

SYT - design Francesco Geraci

Introduced during the latest edition of the Milan International Furniture Show (Salone Internazionale del Mobile di Milano),

SYT by Metalmobil is gearing up to become this summer's star performer!

Made in rotationally stamped polyethylene,

Syt is perfect for furnishing bars, cafés, gelato shops, pubs, hotels, waiting rooms, cocktail lounges, restaurants, and so forth.

Art 200 > 65 45 65 78 9 Kg PE

COLOURS AVAILABLE:

White, anthracite, orange.

PARTICULAR CHARACTERISTICS:

SYT ideal for use outdoors, thanks to the drain hole on the chair, which allows rainwater to flow out to the ground. Polyethylene, the material used to create **Syt**, is perfect to resist weather.
